ZPad Plus **QR**

Time Management Solution with Android OS

Android OS	Events	QR Scanner	Battery

ZPad Plus QR is ZKTeco's multi-functional data collection terminal with Android platform and with contactless identification via QR code or proximity card.

ZPad Plus QR is a smart Time Management terminal that offers a variety of identification and information management solutions and it is specially designed for workforce management, building and office entrance control and security. It has a 7-inch touch screen display, comes equipped with an internal battery and features wireless communications via Wi-Fi and Bluetooth (optional 4G version).

ZPad Plus QR also has three different powerful versions: ZPad Plus QR, BioTime Web and ZPad Plus QR Cloud.

IT'S A PERFECT SOLUTION FOR:

Time Attendance
Conference Management
VIP Identification
Warehouse
Visitor Management
Smart building

Compatible with:

GoTimeCloud

T&A APP INSIDE

Enjoy our easiest "Plug and play" solution BioTime Web, a web-browser Time Attendance application that manages all terminal data in real-time, allowing you to manage your employees' schedules from anywhere in the world without additional software.
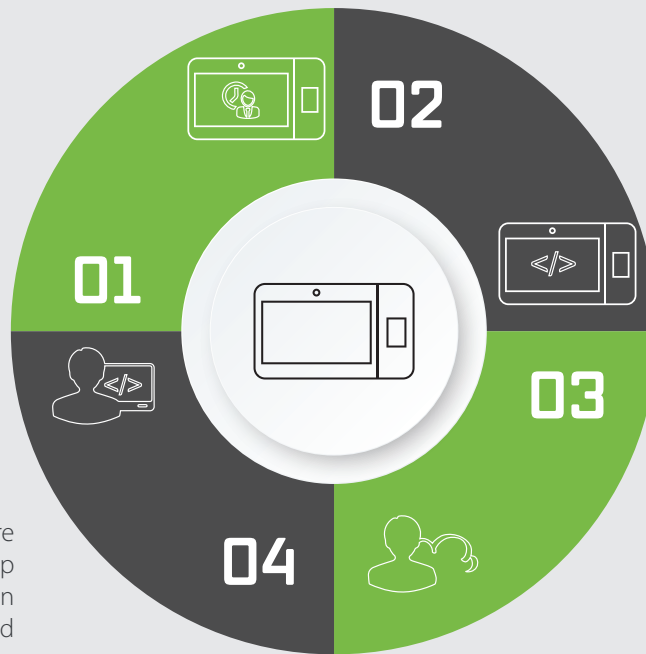

YOUR OWN APPS INSIDE

We provide all tools necessary for developing your own apps to upload onto the ZPad Plus QR, and correlate with software and server synchronisation applications, to enable unique in-house solutions.
